

Assisted Living Café Summer Schedule

A new way to network with your assisted living colleagues and keep informed without spending half a day outside your facility.

Please note the time for the Café that you wish to attend, since they are scheduled for slightly differing times. The format is simple: show up, grab your favorite food and beverage and sit down to share. There is no charge to attend and membership in LifeSpan is not required.

What's on your mind? Survey... Regulations... Staffing... Delegating nurse responsibilities... the Economy... Marketing... Education for your staff... Everything is on the table!!

July 22
