ALL THINGS ENERGY

**Managing Your Natural Gas and Electricity Budget in
Today's Complex and Volatile Energy Landscape**

- Suffering from energy “savings” overload?
- Too many phone calls and emails making unbelievable promises?

Let's Sort it Out Together

- A comprehensive understanding of your utility bill.
- Review the benefits of fixed commodity pricing.
- Purchasing strategies and the proper way to shop for energy supply.
- How to read your energy contract.
- Is a lighting upgrade necessary and will it save you money?
- Renewable Energy, do you want to be sustainable?

Join us as we unveil the unforeseen and uncontrollable risks. Learn how with the right process in place you can comfortably manage your energy budget. We hope to see you on June 1st!
