

## Attention Assisted Living Managers: Web-Based Continuing Education - 20 Hour Package

The Beacon Institute has partnered with the Long-Term Care Learning Center to offer the Maryland Manager Web-Based 20 Hour Continuing Education Package, to satisfy the requirements of COMAR 10.07.14.16.C.

### Manager 20 Hour Package Pricing

- \$153\* – discounted price for Lifespan members
- \$170 – standard price

### Why choose our training?

#### ✓ **OHCQ Approved**

- There is no need to worry at inspection time. Our continuing education courses are OHCQ approved and we are an approved vendor for the Manager 20 Hour Training.

#### ✓ **Evidence-Based**

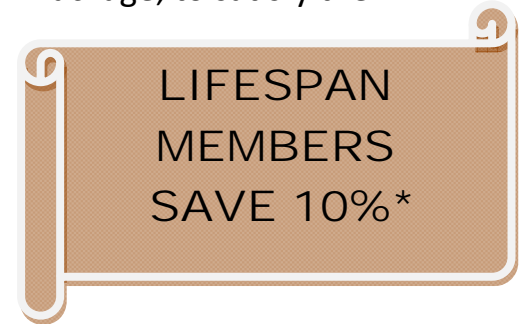

- Many of our web-based courses were developed through research grants funded by the National Institute on Aging.
- Developed by nationally-known experts.

#### ✓ **Dynamic and Interesting**

- Our web-based courses are more than just text slide shows. They combine narration, graphics, video and animation to create an interactive, media-rich learning environment that is interesting and keeps the learner focused.

#### ✓ **Proven Effective in Maryland Assisted Living Facilities**

- Our web-based courses have been used by over 300 Maryland Assisted Living Facilities to satisfy their training needs.
- Over 96% of learners said our training programs are useful to them as caregivers of older adults and 94% indicated they would recommend the training to others.

### Here's how it works:

- To receive the 10% discount, contact the Long-Term Care Learning Center at (540) 349-8074, ext. 2 and let us know you are requesting the LifeSpan discount.
- We will set you up at the LTC Learning Center website with a username and password.
- You have one year from the date of purchase to complete the training.
- Log in at the LTC Learning Center website to complete the training at your convenience on your computer. Each course has a posttest and certificate of completion.
- We are available to help with all questions. Even if you've never used a computer before for training, you will find the courses easy to use.
