PATIENT DRIVEN PAYMENT MODEL (PDPM) BOOT CAMP

PDPM IS COMING: ARE YOU READY? What You Need to Know by October 1, 2019

PROGRAM

The new Medicare Patient Driven Payment Model (PDPM) begins October 1, 2019. For Skilled Nursing Facility (SNF) providers, this will warrant not only significant operational changes but also a change of thinking as the new PDPM removes therapy minutes as a determinant of payment and strengthens the relationship between payment and clinical characteristics to promote payment accuracy and provide the resources necessary for SNFs to meet the care needs of a diverse range of residents. Key components of this payment accuracy rely upon the understanding of how the six components (PT, OT, ST, NTA, Nursing, Non-Case Mix) of the PDPM impact reimbursement. Additionally, PDPM requires a greater understanding of how to identify the medical complexity of our residents and ensure that complexity has been captured within the Minimum Data Set (MDS). The identification of medical complexity will require SNFs to have a keen understanding of the ICD-10 codes and how the ICD-10 codes determine how the resident is classified into the PDPM clinical categories.

TARGET AUDIENCE

Interdisciplinary team members including Administrators, Nurses, Business Office, MDS Coordinators, Therapy Staff, ICD-10 Coders and other team members involved in managing a Medicare A census, and corporate consultants and business office team members who'd like to understand the new payment system.

PART I: IN-PERSON SEMINAR OR LIVE-STREAM

Date: 4/8/19

ICD-10 items that make up a PDPM daily rate, the interrupted stay policy, the interim payment assessment and the variable per diem adjustment schedule. In subsequent webinars we will take a deeper dive into detailed ICD-10 coding instructions for each component of the PDPM rate.

FEES

LifeSpan Member: \$185, Nonmember: \$285

CEU: 6.0 (ADMINISTRATOR)

PART II: LIVE-WEBINARS

This 14-part PDPM webinar series is targeted for MDS coordinators, therapy personnel, ICD-10 coders, business office and finance personnel, administrators, DONs, and all other members of the Interdisciplinary Team accountable for payment. LAI has selected this nationally recognized expert and webinar series approach to facilitate a methodical, systematic, and thorough approach to understanding the PDPM. Each session dives deeper into each element of the PDPM process and will provide the necessary coding instruction for each of those elements including how the ICD-10 codes fit into the PDPM clinical categories and drive reimbursement.

FEES (Per Facility) Before October 1, 2019

LifeSpan Members: \$1,000 Nonmember: \$1,500.00

*To register more than one facilities and receive a graduated \$250.00 discount per facility, contact Enid-Mai Jones, ejones@lifespain-network.org.

IMPORTANT: The fee includes one (1) connection to each live webinar, access to digital handouts, and access to the recording of this webinar series for 6 months.
