OBJECTIVES
1. Describe ways normal aging is different from permanent dementia.
2. Describe types of permanent dementia.
3. Identify common ethical dilemmas in dementia care.
4. Locate places code of ethics/regulations for help with ethical dilemmas.
5. Demonstrate areas of possible ethical dilemmas involving patients/dementia.
6. Identify similarity/differences in code of ethics amongst professions in LTC.
7. Describe how to ethically approach dilemmas in dementia care.

PROGRAM
When there is a diagnosis of permanent dementia like Alzheimer’s disease, numerous ethical dilemmas arise. Ethical challenges occur when clinicians are navigating communication and end of life with persons with dementia. There are also ethical issues involving privacy and confidentiality when the families of persons with dementia are involved. How do we balance self-determination with commitment to client/primacy of patient? Join us for this interactive ethical discussion on how to best serve persons with dementia and their families.

ETHICS REQUIREMENT
This course meets the Ethics Requirements in COMAR Title 10: DHMH Subtitle 42.03, Board of Social Work Examiners. Specifically referenced will be the Code of Professional Conduct for Case Managers, Principle 4: Board Certified Case Managers (CCMs) will act with integrity and fidelity with clients and others.

AGENDA
8:30 AM Registration/Breakfast
9:00 - 10:30 AM
• Normal aging - tip of the tongue moments, benign senescence, diminished reflex/reaction times
• Dementia symptoms - getting lost in familiar places, poor judgement, change in personality, short term memory loss
• What is dementia?
• What is Alzheimer’s disease?
• Issues of self-neglect
• Issues of capacity
• Issues of self-determination
• Treatment decisions

10:30-10:45 AM Break
10:45 AM – 12:15 PM
• A review of the multidisciplinary code of ethics as they apply to dementia care.
• Resolutions for the most common struggles between families and patients.
• Suggested communication techniques for ethical issues involving dementia patients and their families.
• Modeling ethical behavior, understanding family denial, awareness of staff biases/countertransference which may interfere with ethical practice, convening ethics committee when necessary

12:15 PM: Adjourn

SPEAKER
Mary C. Fridley RN, BSN, BC
Mary is a Registered Nurse board certified in gerontology with more than 30 years experience in the geriatric health field. She has been a consultant to families, businesses, and care facilities as well as a successful caregiver advice columnist. She was a consultant for many years to the Anne Arundel County, MD Department of Aging and Disabilities, and a caregiver support group facilitator for 17 years. Mary is currently an associate speaker with Jenerations Health Education, Inc.
Continuing Education
This program is sponsored by the Beacon Institute. This program is approved by the National Continuing Education Review Service (NCERS) of the National Association of Boards of Examiners of Long Term Care Administrators. This program is approved by the Maryland Board of Social Worker Examiners for Category I continuing education for social workers in Maryland. The program is approved by the Office of Health Care Quality (OHCQ) for continuing education credits for assisted living managers.
