PROGRAM

To improve your facility's life and fire safety programs, you need the knowledge and resources for a seamless implementation. Understanding the various requirements of the Life and Fire Safety Codes and other standards is an intricate process and skilled nursing facilities continue to encounter challenges. This workshop will review the common deficiencies cited by surveyors on annual life and fire safety codes inspections and identify best practices to avoid future deficiencies.

OBJECTIVES

1. Understand federal and state codes and enforcement
2. Understand regulations and requirements
3. Identify requirements of code compliance related to the most frequently cited deficiencies.
4. Understand guidelines necessary for fire safety
5. Safe evacuation; mobility, hearing and sight impairments
6. Common fire hazards and prevention of these hazards
7. What you need to do to ensure the safety of your residents and reduce your liability
8. Preparing for cold weather
9. How to develop an escape plan prior to an actual emergency

Continuing Education

This program is approved by the National Continuing Education Review Service (NCERS) of the National Association of Boards of Examiners of Long Term Care Administrators.

Registration Policies

1. Please mail or fax your registration early. Space is filled on a first served basis. Policy and deadlines for registration are the same by fax as by mail.
2. Please enclose a check or complete the credit card registration below. Faxed registrations must include credit card or purchase order information.
3. Registrations and payment must be received no later than five days prior to the workshop.
4. We reserve the right to cancel this program due to insufficient registration.

Cancellation Policy

Refunds, minus a \$25 processing fee per registrant, will be honored if requested in writing five (5) business days prior to the date of the seminar. In the event of emergency, attendees may send substitutions in their places without prior notification.
