QAPI Certified Professional Prep Workshop

September 16-17, 2020
HANDELMAN CONFERENCE CENTER
7090 Samuel Morse Drive, Suite 400, Columbia, Maryland 21046
8:00 am–5:00 pm
(Registration/Scan-In and Breakfast start at 7:30 am)

Program
An effective QAPI process and program will take you beyond compliance and enable your facility to truly transform the care you provide residents. Increase your knowledge by attending a two-day QAPI education workshop that will help you prepare for the comprehensive QCP certification exam.

Get the tools you need to prepare for and implement QAPI-mandated regulations in your long-term care facility with a preparatory workshop for AADNS’ QAPI Certified Professional (QCP) certification. Implementing quality assurance and process improvement (QAPI) strategies is nothing new in long-term care. Following these principles helps you fulfill your mission to provide the best possible care and quality of life for residents.

This two-day workshop will help you:
• Implement the five elements of the QAPI program
• Evaluate your facility and create an ongoing improvement plan for your facility
• Improve your team’s understanding of the process
• Apply QAPI principles effectively
• Lead your team in QAPI initiatives

This workshop will complement your expertise with QAPI knowledge and skills to lead your team in quality initiatives. Workshops are taught by individuals who go through rigorous requirements to become Master Teachers and who are experts in the field.

Topics include
• QAPI Design and Scope for Skilled Nursing Facilities
• QAPI Governance and Leadership for Skilled Nursing Facilities
• QAPI Feedback, Data Systems, and Monitoring for Skilled Nursing Facilities
• QAPI Performance Improvement Projects for Skilled Nursing Facilities
• QAPI Systematic Analysis and Systemic Action for Skilled Nursing Facilities

Target Audience
• Directors/Assistant Directors of Nursing Services
• QAPI Managers
• Nursing Home Administrators
• Nurse Managers
• RNs and LPNs
• Social Service Professionals
• Activities Professionals
• Staff Development Directors

CE – 15.0
• Nursing
• Nursing Home Administrator
• Social Worker
• Activities Professional

Who is eligible to take the certification exam?
AANAC encourages all members of the interdisciplinary team who have responsibility for quality and performance improvement in their organization to complete the QCP credentialing program, including, but not limited to, the directors of nursing services, QAPI managers, nursing home administrators, nurse managers, RNs, LPNs, social service, activities directors, directors, and staff development directors. AANAC recommends that individuals have at least six months of experience with the QAPI process before taking the certification exam. If you have less than six months of experience or aren’t confident with some or all of material within the QAPI for Long-Term Care curriculum, consider taking the educational course(s) and gaining practical experience through implementing the QAPI principles in your long-term-care setting.

Exam
The certification exam is purchased separately and completed through the AANAC Classroom account. Once the exam is launched, you have 90 days to complete the exam. After 90 days, the certification exam will expire if not completed. If you purchase the exam but do not launch it, it will not expire.
Continuing Education

The American Association of Post-Acute Care Nursing AAPACN* is accredited by the American Nurses Credentialing Center’s Commission on Accreditation.

The Beacon Institute is an approved provider of continuing education. This program is approved by the National Continuing Education Review Service (NCERS) of the National Association of Boards of Examiners of Long Term Care Administrators. This program is approved by the National Certification Council for Activity Professionals for continuing education for activity professionals. This program is approved by the Maryland Board of Social Worker Examiners for Category I continuing education for social workers in Maryland.

*The American Association of Post-Acute Care Nursing (AAPACN) is the parent organization to AADNS.

Inclement Weather Policy

If Howard County Public Schools are closed or opening late due to inclement weather, all seminars are CANCELLED. Registrants will be contacted regarding rescheduling arrangements.
