PROGRAM
The Resident Assessment Coordinator
- Certified Advanced (RAC-CTSM)
program is an advanced certification for
clinical reimbursement leaders who are
current RAC-CT holders. This new
program provides advanced principles
of clinical reimbursement, Medicare
program compliance and integrity, RAI/
MDS program integrity, leadership,
ethical practice, managing medical re-
view, accurate ICD-10 diagnosis coding,
advanced strategies for payment over-
sight, and improving a facility’s quality
measurement in all CMS quality pro-
grams

Who should take this course? Whether
you are a clinical reimbursement spe-
cialist in a regional, state, or national
teacher, or are a professional in any
aspect of MDS and Medicare compli-
ance and oversight, this program will
help you excel as a reimbursement
leader. You must hold and maintain a
current RAC-CT to qualify. The pro-
gram includes 10 education com-
ponents and 10 associated online exams.
The three-day workshop is worth 22.5.

Course Completion
Requirements
CNE for a live workshop is based upon
actual classroom attendance for the
duration of the scheduled educational
activity and is verified through sign-in
sheets. If a student fails to attend all
three days of the workshop he/she will
not receive a course attendance cer-
ificate from The Beacon Institute but
partial CE/CEU may be awarded. Each
attendee, based on sign-in sheets/
attendance will receive the CE certifi-
cate upon the completion of the educa-
tional activity. Final exams are not a
requirement for claiming a CE certifi-
cate for a live workshop. You have 90
days from the date of the final exams are
launched to complete and pass them with
a score of 80% or higher.

CERTIFICATION ELIGIBILITY
To be eligible to become RAC-CTA Certified
(Resident Assessment Coordinator—Certified
Advanced) an individual must:
1. Hold a current RAC-CT certification.
2. Complete ten required AANAC courses
   and pass each of the
   associated final certification exams with an
