

# LifeSpan Health Plan Coalition

## How It Works

### Captive Insurance

Purchase health insurance like a 10,000 employee organization with like-minded employers who wish to create savings and predictability without impacting benefit levels.

### Health Plan

#### Administration

Select a plan that works for you with Allegeant's proven and turnkey health plan administration, curated selections of pharmacy solutions and choice of CareFirst or Cigna PPO networks.

### Financial Data & Predictive Analytics

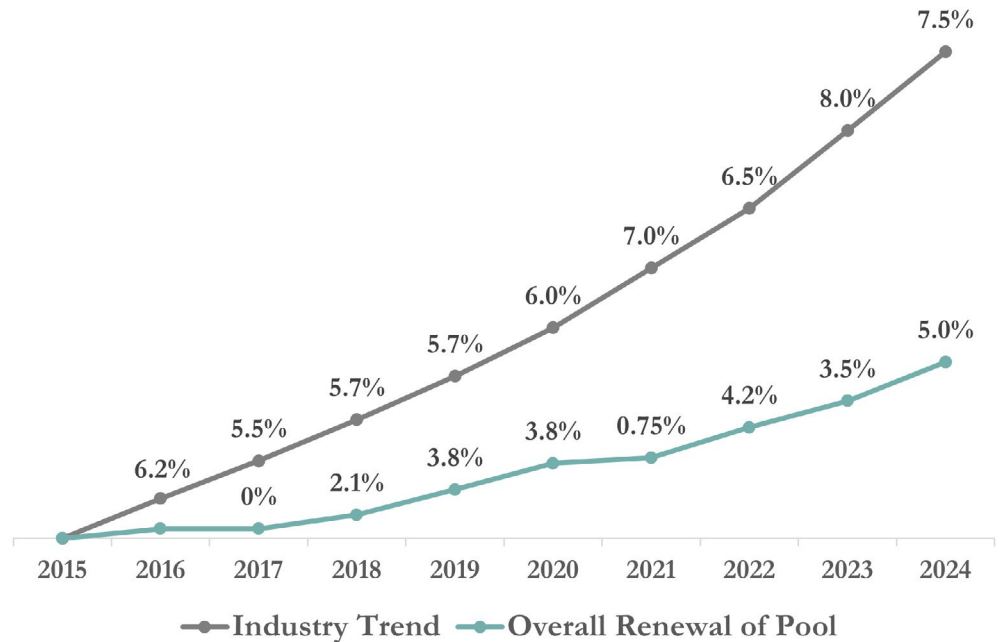

Manage your financials with confidence, identify trends with accuracy, and plan for long-term consistent performance.

### Cost Mitigation & Quality Improvement

Manage your claims spend with best-in-class pricing, clinical prevention, and fully insured carve outs for catastrophic diagnoses.

## Increase purchasing power

- Purchase health insurance like a 10,000 employee organization
- Leverage premier PPO networks like CareFirst & Cigna
- Access timely & effective customer service
- Experience predictable & stable costs year-over-year
- Beat the industry average increase 10 years in a row!

*"In the first 12 months working with Allegeant and the LifeSpan endorsed captive program, [this multi location provider] saved \$415,978 while offering the same benefit designs."*

— LifeSpan Member

*"In two years working with Allegeant and the LifeSpan program, [this single location provider] saved \$845,439 compared to the two years prior to working with Allegeant, while offering the same benefit designs."*

— LifeSpan Member
