

Most benefits look good on paper.

This one improves lives.

Everyday items, made accessible to all employees, through payroll deduction.

The Employee Reality

When a fridge breaks or a laptop dies, too many front line employees are forced into high-interest credit cards, rent-to-own or other costly options.

77% of Americans live paycheck to paycheck. For many, an unexpected expense isn't just stressful. Their stress follows them to their job.

BenefitsMe at a Glance

BenefitsMe gives employees a safe, affordable way to access products without financial strain. Through payroll deductions, purchases are paid over 3-12 months, ensuring manageable payments for employees and giving HR a benefit that truly makes a difference.

Be Part of the Solution

With BenefitsMe, offered seamlessly through payroll deductions, you can give your employees, regardless of credit history, instant, responsible access to the everyday essentials they need, without adding cost, risk, or extra work for HR.

Why Employees Use BenefitsMe

- ✓ All employees are eligible and preapproved from date of hire; no credit history required
- ✓ 70,000+ brand-name products & services: electronics, appliances, furniture, tires, travel bookings, and more
