

FOR IMMEDIATE RELEASE: Lifespan Network Announces Official LPS Partnership with RCM&D to Deliver Workers' Compensation and Liability Insurance Solutions

COLUMBIA, MD — June 11, 2026 — Lifespan Network is proud to announce an official partnership between Lifespan Products and Services (LPS) and [RCM&D](#), a leading independent risk management, insurance, and employee benefits consulting firm. Through this partnership, RCM&D will provide exclusive Workers' Compensation and Liability Insurance Programs designed to support providers across the aging services continuum.

The partnership strengthens Lifespan Network's commitment to delivering valuable resources, operational support, and cost-saving opportunities to its members. By collaborating with RCM&D, LifeSpan members will gain access to industry-specific insurance knowledge, proactive risk management strategies, and innovative coverage solutions designed to the unique needs of senior living and aging services organizations.

"We are excited to welcome RCM&D as an official LPS partner," said Kevin Heffner, President of LifeSpan Network. "Their deep understanding of the healthcare and senior living landscape, combined with their commitment to client service, makes them an ideal resource for our members as they navigate today's evolving workforce and liability challenges."

RCM&D's Workers' Compensation Program, Care Providers Self-Insurance Trust, and Liability Insurance Program, Aegis Healthcare Risk Retention Group, are designed to help organizations improve employee, patient, and resident safety, manage claims effectively, reduce exposure, and protect long-term operational stability. Members will also benefit from consultative guidance and solutions that align with regulatory requirements and industry standards.

"After working with LifeSpan and its members for many years, we are energized by this strengthened partnership," said Jim Mauser, SVP Senior Risk Advisor of RCM&D. "We look forward to continuing to provide quality and innovative solutions for workers' compensation and liability to help aging services' facilities protect their workforce, operations, and mission."

The partnership reflects a shared dedication to strengthening the aging services sector through strategic collaboration, innovation, and member-focused support.
